FVLD Closes SubscriberMail Sale

In December the firm represented the owners of Create-It! Inc. and its subsidiary SubscriberMail LLC in the sale of the companies to Harland Clarke Corp. SubscriberMail LLC is an industry leader in the field of subscriber driven email and electronic media promotions and advertising. Vance Liebman and Sharon Beth-Halachmy successfully took this deal from a term sheet through due diligence to closing in just 5 weeks in order to meet our client's requirement of a 2009 closing.
